

Open Lunch Policy and Application 2023-2024

Senior Open Lunch is a *privilege* that will be open to students who meet the following guidelines:

Seniors who are in good academic standing, i.e., have the appropriate number of credits to be considered a senior and maintain passing grades, will be eligible. Students placed on academic probation (any grade below 75) will lose their eligibility for Open Lunch. This eligibility may be appealed by scheduling a meeting with administration.

Seniors must have a good discipline record; this aspect of the application will be evaluated by RHS administration. Students prohibited from participation in Open Lunch for a discipline infraction may appeal that prohibition to the administration at the beginning of each marking period.

- **All students will be required to register with the RHS Blackboard Connect alert system.**
- **Students must join REMIND, a communication system created for schools, in order to receive important messages from the RHS administration. REMIND would allow the RHS administration to send a text message to students while they are out of the building during open lunch. Directions to join the REMIND group will be given to the students in a meeting with school administration in the beginning of the 2023-2024 school year.**
- **Students and Parents must complete Alive at 25.**
- **Students must submit a notarized application form, with a parent's signature, releasing the school from liability. Students above the Age of Majority (18 years old) must sign this clause as well.**

Eligible seniors will use their RHS ID cards to scan in and out for open lunch. Seniors will be allowed to depart from the building only during the time period between 10:06-10:25 (A and B lunches) or between 11:26-11:45 (C and D lunches). They must return to campus by 11:25 (A/B lunches) or by 12:45 (C/D lunches).

Seniors with this privilege will be held to high expectations outside of RHS. Proper behavior on the road and in the community is expected at all times. In addition to compliance with all school rules and regulations, students must abide by state, county, and local traffic laws.

Consequences for violation of any policies, rules, or regulations will be at the discretion of RHS administration. Consequences beyond the student handbook may include, but are not limited to:

- administrative warning;
- 2 week suspension of privileges
- revocation of privileges.

RHS administration has the right to prohibit students from leaving due to bad weather, traffic patterns, or ANY other circumstance deemed appropriate. Also, students will not be allowed to leave for open lunch during half-days or special schedule days (assembly, delayed opening, etc.).
