THE ROAD FORWARD COVID-19- HEALTH AND SAFETY (M)

~~1648.11 THE ROAD FORWARD COVID-19- HEALTH AND SAFETY (M)~~

M

~~The Board of Education plans to provide full-day, full-time, in-person instruction and operations for the 2021-2022 school year. In June 2021, the New Jersey Department of Health (NJDOH) and the New Jersey Department of Education (NJDOE) worked collaboratively to develop guidance, The Road Forward—Health and Safety Guidance for the 2021-2022 School Year (The Road Forward).~~

~~The Road Forward replaces the mandatory anticipated minimum standards outlined in the NJDOE’s “The Road Back—Restart and Recovery Plan for Education” (June 2020) and provides a range of recommendations rather than mandatory standards. These recommendations are meant to assist school districts in implementing protocols to reduce risks to students and staff from COVID-19 while still allowing for full-time learning.~~

~~The Board considered many factors as they prepared for the 2021-2022 school year, including the level of COVID-19 transmission in the community at large and in the school community, as well as vaccination coverage rates in both the community at large and the school community.~~

~~For the purpose of this Policy, “Order” shall mean any Governor of New Jersey Executive Order, New Jersey State Agency mandate, Centers for Disease Control and Prevention (CDC) guidance, New Jersey statute, or administrative code requiring compliance by the school district.~~

~~The Board considered the recommendations outlined in The Road Forward guidance to develop health and safety protocols which have been set forth and memorialized in the District’s own Road Forward FID plan. The Board will consider all recommended Orders and comply with all mandatory Orders when developing health and safety protocols and reviewing them periodically.~~

~~The Board considered the recommendations outlined in The Road Forward to develop the school district’s COVID-19 protocols in the following areas and included in corresponding Appendices:~~

~~A. General Health and Safety Concerns of Students, Staff Members, and Visitors~~

~~1. Vaccination—See Appendix A.;~~

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent, ~~guardian~~, or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Board of Education requires students enrolled in the school district attend school regularly in accordance with the laws of the State.

For the purpose of this Policy and Regulation 5200, “parent” means the natural parent(s), adoptive parent(s), legal guardian(s), resource family parent(s), or surrogate parent(s) of a student. When parents are separated or divorced, “parent” means the person or agency who has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

Notwithstanding the requirement of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences, for the purpose of expectations and consequences regarding truancy, student conduct, promotion, **retention**, and the award of course credit is a local Board decision outlined in N.J.A.C. 6A:16-7.6 and Policy and Regulation 5200. In accordance with the provisions of N.J.A.C. 6A:16-7.6 and for the purposes of Policy and Regulation 5200, a student’s absence from school will either be excused or unexcused. Unexcused absences will count toward truancy.

A parent or adult student shall provide advance notice to the school prior to the student being absent from school. In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student’s absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student’s parent to notify the parent of the absence and determine the reason for the absence.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level or loss of credit or removal from a course that would count toward the high school diploma in accordance with policies of this Board.

Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4 and Regulation 5200.

Unexcused absences from school or from classes within the school day may subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of the Board and its staff in the maintenance of good order and the continuity of classroom instruction and such absences may result in the removal of the student from a class or course of study.

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. B.C. Unexcused Absences That Count Toward Truancy/Excused Absences for Board Policy

1. Notwithstanding the requirement of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences for the purpose of expectations and consequences regarding truancy, student conduct, promotion, retention, and the award of course credit is a Board decision outlined in Policy 5200 and this Regulation.
2. N.J.A.C. 6A:16-7.6(a)3 requires the Board of Education policies and procedures contain, at a minimum, a definition of unexcused absence that count toward truancy, student conduct, promotion, retention, and the award of course credit.

a. “An unexcused absence that counts toward truancy” is a student’s absence from school for a full or a portion of a day for any reason that is not an “excused absence” as defined in B.2.b. below.

b3. “An excused absence” is a student’s absence from school for a full day or a portion of a day for the observance of a religious holiday pursuant to N.J.S.A. 18A:36-14 through 16 for the reasons listed below:

FG. Denial of Course Credit

1. The teacher will determine the credit to be awarded a student for make-up work. Where class participation is a factor in the learning process, the teacher may consider a student's absence in determining a final grade, except absences for the observance of a religious holiday or absence for a student's suspension from school will not adversely affect the student's grade. The teacher may record an incomplete grade for a student who has not had a full opportunity to make up missed work.
2. A K-8 student may be retained at grade level, in accordance with Policy 5410, when ~~a student~~ ~~he/she~~ has been absent fifteen (15) or more school days, whatever the reason for the absence, except that absences for the observance of a religious holiday, absences for those excused in accordance with the reporting requirements of the school register, and absences due to student's suspension will not count toward the total.
3. High School - In accordance with the requirements of New Jersey State Law and Administrative Code, students are expected to attend school every day that school is in session, and the responsibility for compliance belongs to the student and parent. Regular attendance and participation in classes are a vital and integral part of the learning

process. Frequent absences from classroom learning experiences disrupt the continuity of the instructional process and limit the ability of the student to complete the prescribed curriculum requirements successfully. In addition, chronic absences reinforce a habit that will handicap the individual in future education or employment. A student must be in attendance over ninety percent of the school year in order to be considered to have successfully completed the instructional program requirements of the grade/course to which he/she is assigned.

- a. Students who accrue more than eight absences in a full year course*, six absences in a three marking period course (physical education), four absences in a semester course, or two in a one marking period course (health) will receive no credit for the course because of excessive absenteeism.

For full year courses that meet DAILY (both A and B days), loss of credit will occur on the 17th unexcused absence, with parent notification.

This is not a permissive regulation establishing or licensing a limit of days which may be missed. Rather, it assumes absences will only occur due to personal illness or circumstances listed below. Parents are asked to contact the school by 9:00 a.m. on any day their child is absent, and to submit a written statement on the first day a student returns to school after an absence.

- b. Family vacations or job interviews will be recorded as unexcused absences.
- c. Students who report late to class (less than fifteen minutes) without an appropriate pass will accrue one-half of a student absence in that class period.
- d. Students absent from class for fifteen minutes or more without an appropriate pass will be recorded as absent. Thus, lateness and/or absence from class will contribute toward loss of credit in a class.
- e. Any absence from class will count toward loss of credit in that class with the exception of absences due to:

4. Subpoena-court ordered appearance.
5. Drivers Test – An appropriate absence note must be brought by the student upon **their** ~~his/her~~ return to school. Failure to bring in a note within five school days will result in the absence not being excused.
6. Verifiable absences for illness, as legitimized by a physician's note, will be accepted as excused absences. No physician's note will be accepted after a 10-day period from the date of the absence.
7. Other absences authorized by the administration with prior approval.
8. Authorized school activities, such as field trips, State or school testing, regularly scheduled student council or peer counselor meetings, athletic contests, band lessons, and class meetings will not be counted as cumulative absences.

Teachers should contact the activity advisor if a student's absences from class are hindering the student's academic progress. If a student is performing below average in a course, the teacher and the advisor will determine the advisability of the student missing class to participate in an activity. If a student is failing a course that is required for graduation it is recommended that the student not be excused from class to attend an activity until he/she maintains a passing average. The Child Study Team should be involved in recommending the appropriate course of action for classified students.

- A. **Prohibiting Harassment, Intimidation, or Bullying Policy Statement**

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. **The Board has determined that a** safe and civil environment in school is necessary for students to learn and achieve high academic standards; **h**arassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. ~~Harassment, intimidation, or bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance.~~ Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s); adoptive parent(s), legal guardian(s); **resource family** foster parent(s); or parent surrogate(s) of a student. When parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

- B. **Definition of** Harassment, Intimidation, and Bullying Definition

"Harassment, intimidation, or bullying" means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national

HARASSMENT, INTIMIDATION, AND BULLYING (M)

origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic;

2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3;
3. Substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that
 - a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to their person or damage to their property; or
 - b. Has the effect of insulting or demeaning any student or group of students; or
 - c. Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

The Board recognizes that bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Recognizing "a real or perceived power imbalance" may assist school officials in identifying harassment, intimidation, or bullying with the context and relative position of the alleged aggressor and target.

~~Schools are required to address harassment, intimidation, and bullying occurring off school grounds, when there is a nexus between the harassment, intimidation, and bullying and the school (e.g., the harassment, intimidation, or bullying substantially disrupts or interferes with the orderly operation of the school or the rights of other students).~~

"Electronic communication" means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or remotely activating paging pager device (N.J.A.C. 6A:16-1.3).

- C. Student Behavior Expectations

HARASSMENT, INTIMIDATION, AND BULLYING (M)

The Board expects students to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment consistent with the Code of Student Conduct.

The Board believes that standards for student behavior must be set cooperatively through interaction among the students, parents, school employees, school administrators, school volunteers, and community representatives, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities to help students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students' abilities to grow in self-discipline.

The Board expects that students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, and bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and
4. Sanctions and due process for violations of the Code of Student Conduct.

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents,

HARASSMENT, INTIMIDATION, AND BULLYING (M)

students, instructional staff, student support services staff, school administrators, and school volunteers, as well as community organizations, such as faith-based, health and human service, business and law enforcement, in the development of this Policy. Based on locally determined and accepted core ethical values adopted by the Board, pursuant to N.J.A.C. 6A:16-7.1(a)2, the Board must develop guidelines for student conduct pursuant to N.J.A.C. 6A:16-7.1. These guidelines for student conduct will take into consideration the developmental ages of students, the severity of the offenses and students' histories of inappropriate behaviors, and the mission and physical facilities of the individual school(s) in the district. This Policy requires all students in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Pursuant to N.J.A.C. 6A:16-7.1, the Superintendent must annually provide to students and their parents the rules of the district regarding student conduct. Provisions shall be made for informing parents whose primary language is other than English.

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. Students are encouraged to support other students who:

1. Walk away from acts of harassment, intimidation, and bullying when they see them;
2. Constructively attempt to stop acts of harassment, intimidation, or bullying;
3. Provide support to students who have been subjected to harassment, intimidation, or bullying; and
4. Report acts of harassment, intimidation, and bullying to the designated school staff member.

D. Consequences and Appropriate Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for students who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Student Conduct, and the consequences and remedial responses for staff members who commit one or more acts of harassment, intimidation, or bullying.

HARASSMENT, INTIMIDATION, AND BULLYING (M)

In every incident found to be harassment, intimidation, or bullying, the school Principal, in consultation with appropriate school staff, may apply disciplinary consequences and/or remedial actions, such as the provision of counseling, behavioral interventions, or other measures.

Appropriate consequences and remedial actions are those that are graded according to the severity of the offenses; consider the developmental ages of the student offenders; the nature of the student's disability, if any and to the extent relevant; and students' histories of inappropriate behaviors, per the Code of Student Conduct and N.J.A.C. 6A:16-7.

Consequences—Students

~~Consequences for a student who commits one or more acts of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion of students, as set forth in the Board's approved Code of Student Conduct pursuant to N.J.A.C. 6A:16-7.1. Consequences for a student who commits an act of harassment, intimidation, or bullying are those that are varied and graded according to the nature of the behavior; the nature of the student's disability, if any, and to the extent relevant; the developmental age of the student; and the student's history of problem behaviors and performance consistent with the Board's approved Code of Student Conduct and N.J.A.C. 6A:16-7, Student Conduct. The use of negative consequences should occur in conjunction with remediation and not be relied upon as the sole intervention approach.~~

Factors for Determining Consequences—Student Considerations

1. Age, disability (if any and to the extent relevant), developmental and maturity levels of the parties involved and their relationship to the school district;
2. Degrees of harm;
3. Surrounding circumstances;
4. Nature and severity of the behavior(s);
5. Incidences of past or continuing patterns of behavior;

Each student intervention plan must be approved by the Superintendent.

While the majority of incidents may be addressed solely by school officials, the Superintendent or designee and the Principal shall report a harassment, intimidation, or bullying incident to law enforcement officials if the conduct rises to the level of a mandatory report as outlined in the Uniform State Memorandum of Agreement Between Education and Law Enforcement Officials.

Target/Victim Support

~~Districts should identify a range of strategies and resources that will be available to individual victims of harassment, intimidation, and bullying, and respond in a manner that provides relief to victims and does not stigmatize victims or further their sense of persecution. The type, diversity, location, and degree of support are directly related to the student's perception of safety.~~

HARASSMENT, INTIMIDATION, AND BULLYING (M)

~~intimidation, or bullying~~ violations of this Policy to the Principal or the Principal's designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and volunteers and contracted service providers who have contact with students, also shall submit a ~~New Jersey Department of Education-approved HIB 338 Form~~. Failure to make the required report(s) may result in disciplinary action. ~~The HIB 338 Form shall be kept on file at the school, but shall not be included in any student record unless the incident results in disciplinary action or is otherwise required to be contained in a student's record under State or Federal Law.~~ ~~to the Principal within two school days of the verbal report. The written report shall be on a numbered form developed by the New Jersey Department of Education in accordance with N.J.S.A. 18A:37-15.b.(5). A copy of the form shall be submitted promptly by the Principal to the Superintendent.~~

The district may not fail to initiate an investigation of harassment, intimidation, or bullying solely because written documentation was not provided. Failing to conduct a harassment, intimidation, or bullying investigation solely because a parent or student did not submit written documentation violates the Anti-Bullying Bill of Rights Act and this Policy. If a parent makes a verbal allegation of harassment, intimidation, or bullying to a district staff member, but does not complete and submit the HIB 338 Form, the staff member or a designee must complete and submit the HIB 338 Form.

The Principal or designee ~~is required to~~ will inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. ~~The Principal or designee shall keep a written record of the date, time, and manner of notification to the parents.~~ Pursuant to N.J.A.C. 6A:16-7.7(a)2.viii.(2), when providing notification to the parents of all students involved, ~~The Principal or designee shall take into account the circumstances of the incident when providing notification to parents of all students involved in the reported harassment, intimidation, or bullying incident and when conveying the nature of the incident, including the actual or perceived protected category motivating the alleged offense. The Principal or designee shall keep a written record of the date, time, and manner of notification to the parents.~~

The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

HARASSMENT, INTIMIDATION, AND BULLYING (M)

Students, parents, and visitors are encouraged to report alleged violations of this Policy to the Principal on the same day when the individual witnessed or received reliable information regarding any such incident. The school district shall provide a person an online means to complete the HIB 338 Form to anonymously report an act of harassment, intimidation, or bullying. Formal action for violations of the Code of Student Conduct may not be taken solely on the basis of an anonymous report.

~~A person may report, verbally or in writing, an act of harassment, intimidation, or bullying committed by an adult or youth against a student anonymously. The Board will not take formal disciplinary action based solely on the anonymous report. The district shall provide a means for a parent to complete an online numbered form developed by the New Jersey Department of Education to confidentially report an incident of harassment, intimidation, or bullying.~~

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

The Principal shall promptly submit a copy of each completed HIB 338 Form to the Superintendent.

~~In accordance with the provisions of N.J.S.A. 18A:37-18, the harassment, intimidation, and bullying law does not prevent a victim from seeking redress under any other available law, either civil or criminal, nor does it create or alter any tort liability.~~

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, in addition to making the HIB 338 Form available online, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, and bullying or who determines a reported incident or complaint, assuming all facts presented are true, is a report within the scope of N.J.S.A. 18A:37-14 from a district employee, and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action. The district also should consider

HARASSMENT, INTIMIDATION, AND BULLYING (M)

procedures and disciplinary action when it is found that someone had information regarding a harassment, intimidation, or bullying incident, but did not make the required report(s).

F. Anti-Bullying Coordinator, Anti-Bullying Specialist, and School Safety/School Climate Team(s)

1. The Superintendent shall appoint a district Anti-Bullying Coordinator. The Superintendent shall make every effort to appoint an employee of the school district to this position.

The Board recognizes that some acts of harassment, intimidation, or bullying may be isolated incidents requiring that the school officials respond appropriately to the individual(s) committing the acts. Other acts may be so serious or parts of a larger pattern of harassment, intimidation, or bullying that they require a response either at the classroom, school building, or school district levels or by law enforcement officials. Consequences and appropriate remedial actions for a student who commits an act of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion, as permitted under N.J.S.A. 18A:37, Discipline of Pupils and as set forth in N.J.A.C. 6A:16-7.2, Short-term suspensions, N.J.A.C. 6A:16-7.3, Long-term suspensions, and N.J.A.C. 6A:16-7.4, Expulsions.

In considering whether a response beyond the individual is appropriate, school officials shall consider the nature and circumstances of the act; the degree of harm; the nature and severity of the behavior; past incidences or past or continuing patterns of behavior; and the context in which the alleged incident(s) occurred. Institutional (i.e., classroom, school building, school district) responses can range from school and community surveys, to mailings, to focus groups, to adoption of research-based harassment, intimidation, or bullying prevention program models, to training for certificated and non-certificated staff, to

HARASSMENT, INTIMIDATION, AND BULLYING (M)

Other acts may be so serious or parts of a larger pattern of harassment, intimidation, or bullying that they require a response either at the classroom, school building, or school district level or by law enforcement officials.~~

For every incident of harassment, intimidation, or bullying, the school officials must respond appropriately to the individual who committed the act. HARASSMENT, INTIMIDATION, AND BULLYING (M)

ACADEMIC INTEGRITY

5701 ACADEMIC INTEGRITY

The highest standards of honesty and integrity are expected from students in all academic and non-academic pursuits must apply to a student's actions at Roxbury High School. Any act of dishonesty reflects upon a student and negatively affects the entire school community.

Among the most serious academic offenses is the submission of work that is not one's own are (copying and/or plagiarism). Both are forms of cheating. In copying, a student is taking the work of another, either including, but not limited to, on homework, an assessment, or writing task or on a test, and claims claiming it as their his/her own. The term plagiarism usually refers to a higher level of copying in which a person, often in preparing a research paper, copies from sources without indicating what sources were used. In effect, by not naming the source, the students are is claiming the work is theirs his/hers. The term also applies if a students eopies copy a research paper of another and claims that they are he/she is the author. Whether the student is the person who gives or receives the information, they are he/she is guilty of a dishonest act.

In order to ensure that students not only understand that these choices are a hinderance to the learning process they also negatively impact a teacher's ability to support the academic growth and development of the students; teachers will provide age-appropriate instruction and support relative to the process of conducting research, synthesizing information, and providing appropriate credit to deserving sources.

Students who engage in the decision to cheat or plagiarize will be held accountable, not only for their actions, but also the appropriate completion of the intended learning task. This may include an alternative task/assignment as well as diminished credit. In the event that a student is caught engaging in such choices, the teacher will contact the parent along with the student to discuss the actions taken as well as a plan for restoration of learning outcomes. Additionally, the teacher shall request and be furnished with evidence of the learning process that the student undertook.

Moreover, it is the anticipation of the Board that students will be instructed and supported with strategies to conduct research, evaluate learning experiences and prepare original work that stands to be a demonstration of one's authentic thinking, learning, and ability as outlined in our Portrait of a Graduate.

All instances of cheating are dealt with severely at Roxbury High School. Any work (homework, test, examination, or paper), which was completed by dishonest means will receive a grade of "O". Teachers will notify counselors who will, in turn, notify parents and a record of this offense will be placed in the student file and retained throughout the
